## **Scheduled Electrical Service Interruption on St. Croix, October 21, 2023**

U.S. VIRGIN ISLANDS – The Virgin Islands Water and Power Authority (“WAPA” or “Authority”) would like to inform customers and community members on the island of St. Croix of a scheduled electrical service interruption occurring Saturday, October 21, 2023, from 8:00 AM to 5:00 PM. During this time, customers on Feeder 9B will experience a temporary outage lasting approximately one hour so WAPA personnel can reroute a portion of the feeder near VI Paving to allow for the installation of a temporary bridge.

Feeder 9B includes the following areas:

|                       |                       |
|-----------------------|-----------------------|
| Adventure             | Golden Grove / UVI    |
| Auero Diaz Heights    | Mount Pleasant West   |
| Castle Burke          | New Works             |
| Central High School   | Paradise              |
| Clifton Hill          | Profit                |
| Croixville            | St. Croix Renaissance |
| Educational Complex   | St. George            |
| Estate Diamond West   | UVI                   |
| Golden Grove / Prison |                       |

The Authority thanks the community for its understanding.

###

**About WAPA:** The Virgin Islands Water and Power Authority is an autonomous agency of the Virgin Islands Government which produces and distributes electricity and drinking water to residential and commercial customers in the territory. WAPA was created by the Fifth Legislature of the Virgin Islands in 1964 through Act No. 1248. Today, WAPA generates electrical power at production plants on St. Thomas and St. Croix and distributes electrical service through smart grids to customers on St. Thomas, St. Croix, St. John, Hassel Island, and Water Island. Potable water is distributed to almost 13,000 customers through water lines and standpipes. WAPA also has the responsibility of installing and maintaining streetlights.
