St. Croix Road Closure Beginning April 10, 2023, as part of Clifton Hill Waterline Rehabilitation Project

U.S. VIRGIN ISLANDS – The Virgin Islands Water and Power Authority (“WAPA or “Authority”) would like to inform the public of an upcoming road closure on St. Croix related to the Clifton Hill Waterline Rehabilitation Project.

Beginning Monday, April 10, 2023, through Wednesday, April 12, 2023, from 6:30 AM to 6:30 PM, the Northern Eastbound Lane will be closed near the Clifton Hill entrance off the Melvin H. Evans highway. Flaggers and signage will be present at all work zones, and motorists are advised to exercise caution. Please see traffic control plan for an exact outline of impacted area.

The nearly completed Clifton Hill Waterline Rehabilitation Project will allow for significant improvements to water quality and delivery efficiency.

The Authority thanks the public for its cooperation.

###

About WAPA: The Virgin Islands Water and Power Authority is an autonomous agency of the Virgin Islands Government which produces and distributes electricity and drinking water to residential and commercial customers in the territory. WAPA was created by the Fifth Legislature of the Virgin Islands in 1964 through Act No. 1248. Today, WAPA generates electrical power at production plants on St. Thomas and St. Croix and distributes electrical service through smart grids to customers on St. Thomas, St. Croix, St. John, Hassel Island, and Water Island. Potable water is distributed to almost 13,000 customers through water lines and standpipes. WAPA also has the responsibility of installing and maintaining streetlights.
