Planned Maintenance to Affect WAPA Online Payment Services This Weekend

U.S. Virgin Islands (September 25, 2025) — The Virgin Islands Water and Power Authority (“WAPA” or “the Authority”) advises customers that its online payment services will be temporarily unavailable from 4:00 p.m. on Friday, September 26, 2025, until 8:00 a.m. on Monday, September 29, 2025, due to planned system maintenance.

During this period, customers will not be able to make electronic payments through the WAPA website. The Authority encourages customers to complete any urgent transactions before the maintenance window to avoid inconvenience.

WAPA appreciates the community’s patience and continued support as we work to improve and strengthen our systems.

About WAPA: The Virgin Islands Water and Power Authority is an autonomous agency of the Virgin Islands Government which produces and distributes electricity and drinking water to residential and commercial customers in the territory. WAPA was created by the Fifth Legislature of the Virgin Islands in 1964 through Act No. 1248. Today, WAPA generates electrical power at production plants on St. Thomas and St. Croix and distributes electrical service through smart grids to customers on St. Thomas, St. Croix, St. John, Hassel Island, and Water Island. Potable water is distributed to almost 13,000 customers through water lines and standpipes. WAPA also has the responsibility of installing and maintaining streetlights.
