Hannah's Rest Road Closure Begins Tomorrow for Campo Rico Waterline Rehabilitation Project

U.S. VIRGIN ISLANDS – The Virgin Islands Water and Power Authority (“WAPA” or “Authority”) would like to advise the public as part of the Campo Rico Waterline Rehabilitation Project on St. Croix, VI Paving will be closing Hannah's Rest Road for construction beginning tomorrow, Wednesday April 12, 2023, from 7:30 AM – 5:00 PM, Monday through Friday. A separate public notice will be released once an end date has been established. Flaggers and signage will be present at all work zones, and motorists are advised to exercise caution. Please see traffic control plan below for an exact outline of impacted areas.

The Campo Rico Waterline Rehabilitation Project will benefit St. Croix's Campo Rico community by improving water quality, reducing system wide water loss, and improving infrastructure and system reliability.

The Authority thanks the community for its understanding and patience.

About WAPA: The Virgin Islands Water and Power Authority is an autonomous agency of the Virgin Islands Government which produces and distributes electricity and drinking water to residential and commercial customers in the territory. WAPA was created by the Fifth Legislature of the Virgin Islands in 1964 through Act No. 1248. Today, WAPA generates electrical power at production plants on St. Thomas and St. Croix and distributes electrical service through smart grids to customers on St. Thomas, St. Croix, St. John, Hassel Island, and Water Island. Potable water is distributed to almost 13,000 customers through water lines and standpipes. WAPA also has the responsibility of installing and maintaining streetlights.
