ADDENDUM II

Questions and Answers

Q.1: Would VIWAPA like a blended pricing model so that the pricing is the same regardless of the garment's size, or would you like separate pricing for oversized garments (size 2XL and above)?

A.1. All sizes shall be priced the same in the catalog. If blended pricing is used, describe the manner that blended pricing be reviewed and adjusted as historical ordering is established.

Q.2: Could VIWAPA please confirm whether you would like logo cost included in the price of the garment?

A.2: Yes, logo cost shall be included in garment price.

Any QUESTIONS and/or EXCEPTIONS to the General Contracts Terms and Insurance will be addressed during the award of a contract negotiation process.
