UNDERGROUND ELECTRICAL CONSTRUCTION PROJECT FEEDER 9A PRIMARY ST. THOMAS

Clarification 1

CLARIFICATIONS / QUESTIONS:

To further consider your proposal, note, the requirement of the Request For Proposal is to select a turnkey construction contractor inclusive of all requirements contained in the RFP document. Offeror must review all exceptions and / or deviations taken and ensure consistency in response with the intent and requirements of the RFP. As such, the following clarifications must be addressed as requested.

The Virgin Islands Water and Power Authority (“VIWAPA”/ “Authority”) is requesting your **Best And Final Offer** for the UNDERGROUND ELECTRICAL CONSTRUCTION PROJECT FEEDER 9A PRIMARY ST. THOMAS. Offeror

should integrate the previous response to the RFP and any changes to the clarifications listed below.

This public bid is still in the evaluation phase. All communications must be tendered through the Authority's Contract Services Manager. Any attempt at direct or indirect contact by an Offeror, concerning the RFP, with the Authority's board members, officers, directors, employees, or members of the evaluating committee is prohibited and may be grounds for disqualification.

#1 The Authority encourages Offeror to supply more competitive pricing. Offeror should submit their most competitive prices in accordance with *Feeder 9A, phase 1, Construction Bid Form, 05-21-25* issued in Addendum III.

Please note responses are due on or before, **Wednesday, August 27, 2025 at 10:00am AST.**
