The Contractor shall comply with the requirements of 31 V.I.C. §§ 271 and 272 and Title 24, Chapter 6 (Protection of Resident Workers) of the Virgin Islands Code and hire Virgin Islands Residents and Resident Workers for work in connection with this Contract. BR

of Labor as outlined under 31 V.I.C. § 272(c)(d). Additionally, the Contractor's failure to comply with the requirements herein may result in the termination of this agreement in accordance with the Authority's General Contract Terms attached and incorporated by reference herein as Appendix "A." Further, the Authority shall consider Contractor's non-compliance with the provisions of this section in the award of future contracts.

8. **EQUAL EMPLOYMENT OPPORTUNITY:** The Contractor shall comply with all applicable equal employment opportunity requirements as set forth in U.S. Executive Order 11246, as amended, and the implementing regulations of the Secretary of Labor at 41 C.F.R. § 60-1.4(b), which is hereby incorporated by reference into this Contract.

10. **LIQUIDATED DAMAGES:** The Authority shall assess liquidated damages solely for Contractor's delay in performing the Work. For each day that performance of the Work extends beyond the specified completion date, for any cause other than excusable causes as defined in Clause 13 of the Authority's attached General Contract Terms with Federal Requirements, the Contractor shall be liable to the Authority and shall be assessed liquidated damages in the amount of **One Thousand Dollars and 00/100 (\$1,000.00)** a day subject to a maximum of liquidated damages not to exceed **ten percent**

If the Work under this Contract is changed to require additional work which increases the Contract's consideration, the performance and payment bond may, at the Authority's option, be increased to cover the additional work; in which case the Contractor shall be entitled to a cost adjustment for the cost of increasing the bond.
