**Re: PR-07-25- SARAH HILL TO VETERANS DRIVE (STT) WATERLINE DESIGN PROJECT PROPOSAL**

Dear Ms. Aubain:

Caritech Group, LLC (Caritech) is pleased to submit this Statement of Qualifications and Proposal for the above-referenced waterline design project for Sarah Hill, St. Thomas. Caritech has completed waterline rehabilitation design projects for several communities in the past seven years for VIWAPA to include Polyberg Circle, Mahogany Estate and Blackbeard's Hill on St. Thomas as well as Estate Hannah's Rest, Whim/Campo Rico, and Frederiksted Phase II over the on St. Croix.

Caritech will be teaming up with Sanborn and Associates, Arrow Land Development and Jaca & Serria to deliver a successful design project to the Virgin Islands Water and Power Authority (VIWAPA).

This proposal has been composed to address the requirements of your Request for Proposal (RFP PR-07-25).. We are confident that our exceptional team of professionals can design and produce construction plans and specifications which will be cost effective, biddable and constructible. We are prepared to commit the necessary resources to meet the project schedule presented in this proposal.

Once again, Caritech looks forward to the opportunity of working with VIWAPA as it continues on its water system rehabilitation program. If you have any questions regarding the content of this proposal, please contact me.

Yours truly,  
CARITECH GROUP, LLC.
