

WAPA Contractor COVID 19 Protocol

COVID-19 Screening Questionnaire for Each Contractor Employee

1. How long have you been in the territory?
2. What has been your travel history for the last 3 months?
(If no travel for last 3 month proceed to employee screening protocol. If there was travel, proceed to question #3 below)
3. Have you been tested for the Coronavirus in the last 72 hours?
4. If yes to question 3, what type of test, name and contact information of the testing facility, as well as the date of such testing?
5. If yes to question 3, do you have a medical certificate stating you were cleared of the COVID 19 coronavirus? If yes, please provide. If no, a medical certification is required.
6. If no to question 5, testing must be done, and the medical certification resulting from such test must be sent to WAPA's HR Department. **No contract worker will be allowed to enter or work at any VIWAPA facility without providing valid documentation that a COVID-19 test was done, a negative result was recorded, and that WAPA's established protocol was adhered to.**
 - *For your information, and if determined useful, attached are local sources that offers rapid COVID-19 qualitative detection test services.*
