Re: Request for tree trimming services on St Thomas and St Croix's composite pole circuits.

Mr. Alexander,

Please find below, Haugland Virgin Islands proposed pricing for to perform tree trim on composite pole circuits utilizing linemen. Pricing includes travel, setup, flagging support, cleanup, chipping and disposal.

Light Tree Trimming - Small branches up to 2" off of Limbs, minimum trimming required.

Maximum setup: 1

Price STX \$709 per span

Price STT \$815 per span

Medium Tree Trimming - Branches & Limbs up to 6" in diameter + multiple setups to remove midsize tree limbs and numerous branches

Maximum setups: 2

Price STX: \$1,276 per span

Price STT: \$1,467 per span

Heavy Tree Trimming - Branches & Limbs more than 6" in diameter + multiple setups to remove excess branches and limbs

Maximum Setups: 3

STX Price: \$2,363 per span

STT Price: \$2,717 per span

I am available to discuss further and thank you for the opportunity.

Sincerely,

John Reynolds  
Chief Commercial Officer
