RE: Consignment of Electrical Products

Clarification I

AWG has sufficient warehouse capacity to store the quantity of the consignment materials for

AWG has 2 major distribution facilities and multiple warehouses in Florida as well as in Puerto Rico.

AWG will be utilizing the following facilities for VIWAPA consignment:

- 1) Miami - 25,000-35,000 SQF
- 2) Pennsylvania – 325,000 SQF (AWG's East coast major distribution facility)
- 3) Puerto Rico – 20,000 SQF

Please feel free to reach out with any additional questions you may have.

Thank you  
Alla Gerenshteyn

A handwritten signature in black ink, appearing to read 'Alla Gerenshteyn', is placed over a light gray rectangular background.
