

APPENDIX 8A - FORM OF PLANT SUBSTANTIAL COMPLETION CERTIFICATE

WARTSILA NORTH AMERICA, INC. ("Contractor"), under the Engineering, Procurement and Construction Contract, contract number _____, dated _____, 2020 ("Agreement"), between Contractor and US VIRGIN ISLANDS WATER AND POWER AUTHORITY ("Owner"), hereby certifies that in accordance with Section 10.3.1 of the Agreement:

- (a) Mechanical Completion has occurred;
- (b) The Performance Tests have been successfully completed, meaning all Minimum Performance Criteria shall have been achieved and all Performance Guarantees shall have been achieved;
- (c) The Plant Reliability Test has been successfully completed, meaning the guaranteed value has been achieved;
- (c) Contractor has delivered to Owner all drawings (except as-built drawings of the Plant), test results and back-up data (in sufficient detail to permit Owner to verify successful completion of the Performance Tests); and
- (d) Contractor has delivered to Owner a written plan for completing all Punch List items necessary to achieve Final Completion of the Plant, and such plan has been agreed to by Owner as evidenced by the signing of the Punch List by both Parties.

Capitalized terms not defined herein shall have the meaning ascribed thereto in the Agreement.

IN WITNESS WHEREOF, Contractor has executed and delivered this Certificate of Substantial Completion through its duly authorized representative this [____] day of [____], [____].
