Why Solar Farms?

Solar farms offer a sustainable way to power our islands with clean, renewable energy. Not only do they reduce greenhouse gas emissions, but they also create jobs, lower electricity costs, and boost energy independence.

Our Solar Farms

Completed Solar Farms:

- Petronella Solar Farm (STX)
- Spanish Town Solar Farm (STX)
- Donoe Solar Farm (STT)

Future Solar Farm:

- Hogensborg Solar Farm (STX)
