Water and Power Authority Offices to Close at 12 PM Tomorrow Friday Sept. 16, 2022

U.S. VIRGIN ISLANDS – The Virgin Islands Water and Power Authority wishes to advise the public that business offices will close tomorrow Friday September 16, 2022 at 12:00 pm to allow adequate preparation for inclement weather from Tropical Storm Fiona that is forecast to affect the Territory. Business operations are scheduled to resume on Monday September 19, 2022. Customers can report outages by dialing [340-774-3552](tel:340-774-3552) or [340-773-2250](tel:340-773-2250) and selecting Option 4. Customers wishing to make a payment online can also do so by visiting WAPA's website at www.viwapa.vi and clicking on the "Pay Your Bill On-Line" button.

The Authority encourages all its customers and the community at large to be safe this weekend.

About WAPA: The Virgin Islands Water and Power Authority is an autonomous agency of the Virgin Islands Government which produces and distributes electricity and drinking water to residential and commercial customers in the territory. WAPA was created by the Fifth Legislature of the Virgin Islands in 1964 through Act No. 1248. Today, WAPA generates electrical power at production plants on St. Thomas and St. Croix and distributes electrical service through smart grids to customers on St. Thomas, St. Croix, St. John, Hassel Island, and Water Island. Potable water is distributed to almost 13,000 customers through water lines and standpipes. WAPA also has the responsibility of installing and maintaining streetlights.
