

SCHEDULED SERVICE OUTAGE

WAPA will conduct planned overnight power outages from **11:00 p.m. to 7:00 a.m.** on **July 13 and 14** to complete the Feeder 13 Bypass Project, a disaster recovery initiative, and the Ridge Road/Cabrita Point Circuit Redundancy Project.

Monday, July 13: Feeders 9E, 8E, 7E, 9C, 7C, Mall, 10B, 9B, 7B, and Yacht Haven.

Tuesday, July 14: Feeders 9E, 8E, 7E, 9C, 7C, Mall, 10B, 9B, 8B, 7B, Yacht Haven, and 7A.

These critical upgrades will improve the reliability and resilience in the St. Thomas-St. John district. Thank you for your support as we work to strengthen the power grid.
